

 EXCELLENCE | EQUITY | DIVERSITY

ADVANCE Junior Scientist Speakers Fall'2008			
Speaker	Sponsoring Department	Date, Time, and Location	Title
Dr. Jane Rigby, The Observatories of the Carnegies Institution of Washington	Astronomy Contact: Dr. Jill Bechtold jbechtold@as.arizona.edu	October 30, 2008 4:00PM at Steward Observatory , Room N210	Lensed Star-forming Galaxies and Obscured AGN
Dr. Kim Cobb, School of Earth and Atmospheric Sciences, Georgia Institute of Technology	Geosciences Contact: Dr. Joellen Russell jrussell@email.arizona.edu	November 6, 2008 4:00PM at Chemistry Building , Room 134	Stalagmite Records of Abrupt Climate Change in the Tropical Pacific
Dr. Marija Drndic, Department of Physics and Astronomy, University of Pennsylvania	Physics Contact: Dr. Brian LeRoy leroy@physics.arizona.edu	November 21, 2008 3:00PM at Physics-Atmospheric Sciences , Room 224	Nanosculpting and Nanoelectronics
Dr. Jessica Lundquist, Department of Hydrology and Hydroclimatology, University of Washington	Hydrology and Water Resources Contact: Dr. Jennifer McIntosh mcintosh@hwr.arizona.edu & Dr. Thomas Meixner tmeixner@hwr.arizona.edu	December 3, 2008 4:00PM at Marshall Building , Room 531	TBA

ADVANCE Distinguished Speaker Fall'2008			
Speaker	Sponsoring Department	Date, Time, and Location	Title
Dr. Mimi Koehl , Department of Integrative Biology, University of California, Berkley	Ecology and Evolutionary Biology Contact: Dr. John Hildebrand jgh@neurobio.arizona.edu and Dr. Anna Dornhaus dornhaus@email.arizona.edu	November 10, 2008 2:00PM at Family and Consumer Sciences Building , Room 219	Informal Career Discussion for interested students, post-docs, and junior faculty.
		November 10, 2008 4:00PM at Bio-sciences West Building , Room 301	Settling down: Can microscopic larvae of bottom-dwelling marine animals use odors to help them land in the right place in turbulent environments.
